The Abbe Lechfeld

My dear Sir -

You are perfectly  
free to make public  
use of my letter to you  
about Bishop Colenso -  
but I should like to add  
a P.S. (viz)

"Some 5 or 6 months ago,  
then some Clergyman (?)  
forgot who) asked me to

support a mission to  
Tululand, I said I would  
do so on condition he stated  
publicly that I honoured  
Bishop Colenso for his brave  
word in defence of the  
natives, however much  
I disapproved of his heresies  
(as I think them) —

I should like this to be added,  
in order to show that my  
letter to you is not a new

thought with me - whether  
the Clergyman ever did put in  
my views or not, I do not  
know - Believe me

Yours sincerely
