Dear Mr. Chesson

I have heard this morning
only that I can be in
town at 40 Queen Road
Bayswater for three days
this week & I should so
much like to have the
Maori chiefs to dine with
me. if you think that
they would like it.
I have written a letter
which I enclose, will you

Kindly read it & see

if you can make the
arrangement for next
Thursday at 2 o'clock.

I should feel very nervous
at having the Chiefs also,
can you come and
meet them, or is there
any one who knows them
& who would accompany
them to my lodgings?
I should be truly glad if
you would let me

have an answer here.

I leave this place on

Wednesday next after

morning post.

Believe me to remain

Sincerely yours

Jamz Patten
