he had a talk together  
he says he will move that  
the whole Mason question  
be gone into next October  
Lord Derby says nothing  
more can be done till  
a reply is received from  
Lord Derby also says  
that an audience with  
the Queen is impossible.  
The Govt says that  
it is most essential  
that the Queen remains

by  
prop  
The  
it  
will  
In

go

by himself until the  
reply is received & then  
where in going to talk  
it over with the others to  
night -

But I am warmly  
approving of your idea  
of a letter strong but  
condemning being written  
to Lord Derby.

I have written the evidence  
an account. I shall  
gladly continue my

My services in interpreting  
anything important &  
free, unless too much time  
is taken up, in which case  
if I have to employ a substitute  
here I shall look for  
something, & after Thursday  
I shall do what I can for  
the Messrs till they leave

I beg to remain &c

Yours &c  
Edw. A. Spencer.

I will see the Messrs to-morrow  
morning & will let you  
know their decision.
