

C128/III

London. Gb. Foucarte Present  
Hyde Park W. 3 Aug 85

Dear Sir

In reply to your  
invitation I shall with  
great pleasure join your  
deputation at the Colonial  
Office Downing Street at a  
quarter to four o'clock on  
Wednesday next. I do not  
know a more important  
occasion than to support  
Sir W. A. in the

formation of a Bechuanaland  
Crown Colony stretching  
up to the Zambezi. The  
Cape Colony is quite  
incapable of undertaking  
so great a charge and  
besides I should entirely  
demonstrate to allowing a  
Colony to have this power  
over the natives and if  
they were admitted to  
the franchise. That may come  
but they are not yet sufficient  
I am faithfully  
Yours  
G. C. C. C.
