Dear Sir

Enclosed beg to hand to you  
for your perusal 2 documents  
which when corrected or altered  
I intend to send in proper  
order and formula to its res-  
pective destination. I have  
seen Mr. Spubb; who is a doctor  
in the S. Bartholomew Hospital  
and who has promised also  
to take a deep interest in my  
affairs as he is thoroughly  
acquainted with my case  
having been in the Cape a  
long time. If the enclosed are  
not according to your wish  
kindly send me a draft and  
I will at once obey your  
instructions. Thanking you al

ready for the great interest you  
have already taken in my case  
I beg to assure you of my un-  
ceasing friendship and to remain

Yours most faithfully.
