Dear Sir.

We all paid a visit to Mr Ashby on Friday last and he will not advance us the money (£30) pounds (which was proposed by you and Miss Weale) unless you or Miss Weale is responsible for that amount Mr Ashby read your letter to him, where you state that you will not be responsible for that amount, he told us that he would advance us any amount on your Responsibility.
Thanks very much for all yours and Miss Weale kindness both of you have done for us and I do think Mr Thesson you can trust to our mani friend's honesty to repay you money that we received from you for ourselves We dont like to walk about without money for our pockets -

I remain. Yours faithfully
