Dear Mr Chapman

I have had several enquiries today about Kings Dawheads & his friends, one from my Sunday Class of Working men - They would much like to see them -

They will have a large gathering on Aug 2nd Saturday when

there will be 500 men
women out of doors.
I wish if they
are coming they could
have come here on
Thursday the 1st or
yesterday. We would
have a party of
the upper classes in
our Garden out should

like to know soon to
let them know =
after that time
we are uncertain tho
we shall be probably
here till the 10th

Yours truly

Theodore Dy
