J. W. Chesson Esq^r

Sec^y Aborigines Protⁿ Society
London

Dear Sir,

As I have about decided to leave
England on my return to Metlakelta
on the 3rd of April - I shall be very
glad if you will kindly let me know
if there is a hope of any action being
taken by your Society in reference to the
Indian land difficulty in British
Columbia before that date

Yours very faithfully
W. Duncan
